The course was adopted and the syllabus approved by the Board of the Department of Human Geography Lund University, 2014-05-06. This syllabus is valid from 2014-05-06.

- B. Course Details.

The course is offered as a single subject course at the PhD level.

The language of instruction is English.

- C. Learning Outcomes.

On completion of the course, the student shall be able to:

- Contribute to discussions of doctoral projects within the broad discipline of social and economic geography
- Contribute to discussions of doctoral projects within other disciplines relevant to the needs of the particular doctoral student

- Critically assess contributions within the discipline of social and economic geography as well as disciplines relevant to the needs of the particular doctoral student
- Present their own research orally
- Reflect upon and situate their own research in the broader context of the discipline and disciplines relevant to the needs of the particular doctoral student

D. Course Content

The course offers insights into the broad discipline of social and economic geography, as well as other disciplines deemed to be relevant to the particular doctoral student. The course also provides the opportunity for students to present their own research.

E. Teaching and Assessment

Assessment is based on submitting a written reflection of the presentations that have been attended and connecting this to the particular research project of the doctoral student.

F. Grades

The grades awarded are Pass or Fail. To receive Pass, the student must fulfil the learning outcomes and participate actively in the course.

G. Admission Requirements.

Applicants must be Ph.D. students in the discipline.

H. Literature

The course does not contain specifications for literature.
