

Master in Social Science, major Human Geography Lund University

Instructions for writing a Letter of Intent for your application to the Lund University Master's Programme in Human Geography (HUGE).

Carefully answer the questions below. Answers must be written in English. Send it together with your supporting documentation according to instructions published on <https://www.universityadmissions.se>. The word limit for your Letter of Intent is maximum 500 words in total (around 125 words per question), not including bibliography and references.

Please also indicate in your Letter of Intent whether you would prefer taking a one year Master's Degree (60 credits) instead of 2-year Master's Degree (120 credits).

1. What are your main reasons for applying to the HUGE Programme?
2. What experiences from your background has prepared you for the HUGE Programme? These can be of an academic, professional, or voluntary nature.
3. How do you hope to benefit from the HUGE Programme?
4. What are your future plans after completion of the HUGE Programme?

Your name and application number should be included on your Letter of Intent.

Good Luck!
